

Masks

Sometimes we need to wear face masks.

This is because of a virus called COVID-19.

We wear masks so we don't get sick or get others sick.

You can't get me!

It is important to stay safe.

Wearing a mask may be uncomfortable. It might feel hot, itchy, or tight.

I can practice wearing it at home and at school.

The mask or face covering must cover my
mouth and nose.

Good job Wonder
Woman covering your
nose and mouth!

With practice, I will get used to it so it won't feel uncomfortable anymore.

Places we go, all require masks.

WHAM!

We're
OPEN

When I leave my house, I need to wear my mask.

As soon as I get on the bus, I must wear my mask.

I will keep my mask on throughout the day in school.

People look different when they wear masks. At first, I might not recognize my teachers and friends.

We can all wear masks together and still have fun!
Just make sure you stay 6 feet away from each other.

Knowing that I have kept others safe, I too will be a hero!
