# Getting Back to School Safely

School Reopening Updates

Dr. Dan Shelton, Superintendent

Presented  
May 12, 2021

# Operations and Services Updates

George Wicks

# Operations and Services

## Facilities

- BioProtect - All surfaces were treated with BioProtect over Spring Break.
- RFP - Selected four A/E firms for the design and project management to renovate the HVAC systems at several of our schools as part of ESSER II and ESSER III Grant funds. The replacement of the HVAC systems at Brader ES and Shue-Medill MS are our first two priorities.
- Sterionizers - The six, group 2 schools have been installed. We have approved the design and ordered the sterionizers for the next 15 schools - Group III.

# Health and Wellness Updates

# Special Population Updates

Dr. Tara Needam

# Special Populations Update

- All buildings and special programs continue to increase in-person and remote learning opportunities
- Planning and preparation for Extended School Year-ESY and 12-Month Entitlement summer programming continues
- Recovery Service delivery models are being developed to support learning/skill loss due to the pandemic
- Related service staff are working with IEP teams to provide supports to students who require additional IEP related services such as; speech, occupational and physical therapy

# Special Populations Update Cont.

The Special Populations Sub Group continues to meet with the New Castle County Public School Districts Special Programs, Lead Nurses, DPH and DDoE to:

- Discuss any new challenges districts are facing
- Plan and prepare in areas where expansion of services can be implemented safely
- Continue to reinforce the actions of special programs leaders and staff that are keeping the instructional environments safe for staff and students

# Staffing Updates

**No RIFs**

Student success and well-being remain our top priority.
