# Facilities Updates

**George Wicks**

Supervisor, Facilities & Planning

# Lead Testing Updates

- Sampling and testing of lead levels in water at consumption points are being conducted by BATTA Environmental Associates.
- The testing of the District's elementary schools has been completed. The High Schools and Middle Schools will be tested on Saturdays due to the large number of consumption points.
- The testing results for nine of our elementary schools have been reported to us.

Additional information including results: [\*\*christinak12.org/lead-water-testing\*\*](https://christinak12.org/lead-water-testing)

# Objective 6: Enhance Professional Growth for All Staff

|   |   |   |
|---|---|---|
| Continue providing targeted support for <b><u>new teachers</u></b> through our comprehensive induction program. | Create differentiated learning experiences to develop professional learning and personal <b><u>growth plans for all staff</u></b> | Support and participate in programs to create teaching pathways for <b><u>paraprofessionals</u></b> . |
|---|---|---|

## Year 1:

- Identified PD Opportunities & Gaps through stakeholder discussions throughout the district
- Distributed a Professional Development Survey (Annual in Spring)

## Year 2:

- Reimagining the CSD Induction Program for new staff
- Paraprofessional to Teacher Pathway Information Event
- Leadership Pipeline with UD DASL & DDOE Partnership
- Paraprofessional/ Support Staff Platform for Additional PD Opportunities
- Distribute annual PD Survey

|                   |
|-------------------|
| ● Complete        |
| ● In Action       |
| ● On Deck         |
| ● Not Yet Started |
