Warehouse Job Overviews

Fulfillment Centers / Traditional Non-Sort Centers

You'll be part of the Amazon warehouse team that gets orders ready for customers relying on Amazon's services. Our fast-paced, active roles take place in various areas, including merchandise, make-on-demand, customer returns, and general fulfillment — in some cases for our super-fast (2-hour or less) delivery service.

Fulfillment Center Warehouse Associate

Sortation Centers

You'll be part of the dedicated Amazon team that is the first stop on the journey from the warehouse. Our fast-paced, active roles take place in a sortation center. You will be sorting, scanning, and stacking packages on pallets, and helping to get customer orders ready for delivery. This role puts you in control of your schedule because you choose shifts that work best for you now and have the ability to adjust your schedule in the future, as needed.

Sortation Center Warehouse Associate

Delivery Stations (AMZL)

You'll be part of the dedicated Amazon team at the delivery station – the last stop before we deliver smiles to customers. Our fast-paced, physical roles receive trucks full of orders then prepare them for delivery. You'll load conveyor belts and transport and stage deliveries to be picked up by drivers.

Delivery Station Warehouse Associate

Amazon Extra Large - Delivery Station (AMXL)

You'll be part of the team that uses power equipment to handle large customer orders at extra large delivery stations. You'll be trained to use technology to handle heavy bulk items such as large screen TVs, furniture, and appliances.

XL Warehouse Associate

Locker+

You'll be part of the dedicated team at Amazon that makes the return and pickup of packages convenient for our customers at our Locker+ retail locations. Our associates are ready to delight our customers with quality service, have an up-for-anything attitude, and thrive in an ever-changing environment. They go beyond assisting with customer orders — connecting personally with our customers and uplifting their lives – even for just a few moments. Associates work in designated retail locations – where it conveniently helps facilitate the delivery and return of customer orders.

Locker+ Associate

Ultra Fresh Fast (UFF)

You'll be part of the Amazon warehouse team that supports one of Amazon's busiest services: online grocery orders. You'll be working in a grocery distribution center – a large warehouse that serves as the hub for receiving and shipping the groceries that stock all of the locations where our teams prepare online orders for our customers.

Grocery Fresh Warehouse Associate

Wagon Wheel / Rural Super Rural (RSR)

You'll be part of the dedicated Amazon team at delivery stations that allow Amazon to extend its network to rural parts of the country. You'll load conveyor belts, and transport and stage deliveries to be picked up by drivers. RSR stations deliver both AMZL and AMXL volume.

Warehouse Associate

Sub Same Day (SSD)

You'll be part of the team that provides delivery on hundreds of thousands of items with sub-same day delivery speed. Sub-same Day is a network of hybrid fulfillment centers / delivery centers (mini fulfillment centers) built close to customers to offer Prime members in our largest metros an ultra-fast, same day delivery service (approximately 5 hours from click to delivery)!

Warehouse Associate

Whole Foods Markets

You'll be part of the dedicated Amazon team that helps make grocery shopping a lot easier for our customers. You'll work inside a Whole Foods Market, preparing customer grocery orders for delivery.
