Hello Gallaher Families!

I wanted to thank you again for your continued support of your student and our school! These are challenging times, but we are pressing on.

I wanted to make you aware of a Zoom meeting we are hosting on Monday evening, October 26. The purpose of this meeting is to give some additional information to our families about the Virtual and Hybrid Models. We plan to present information as well as offer some time for questions and answers. Much of what we will discuss will be similar to the Christina School District presentation given on October 21, but will be tailored to Gallaher School.

We wanted to hold this meeting after the District presentation on October 21, but before the October 28 deadline for families to sign up for the Virtual Academy. We want to present our families with the information they need in order to make an informed decision about what will work best for their family and student's needs.

Please use the information listed below to access the Zoom Meetings.
