Gauger Cobbs Middle School Updates

Good afternoon Families,

I hope everyone is doing well this weekend and that your child had a chance to enjoy the snow and ice with friends. I have a few updates/reminders for the families and wanted you to be aware of them as we move towards the mid-point in MP 3. I thank you for your continued support and hope you have a great week!

Attendance:

Please make sure your child is attending school each day. If you receive a phone call about your student being absent that is because the student missed all periods for the entire day. If they are doing the work at a different time outside of the scheduled class hours, it will be listed as Present Asynchronous (PA). If they are physically in the class at Gauger, it will be listed as Present Hybrid (PH) or Present Synchronous (PS) via online session. Please note attendance is expected to be taken each period, each day for all students and the attendance will be listed in HAC attendance. If you have any concerns, please let our team know right away!

We are NOT sending any phone notifications for individual classes that were missed but we encourage you to reach out to the teacher or office if there is a question about a student's attendance. You can also view the attendance on [HOME ACCESS CENTER](#) and if you don't have a link, you can contact your grade level counselor or the main office to get a password reset. (See contact lists below in the "Old News" section.

If you feel that we have made an error, please first reach out to the teacher first and it can be corrected by the teacher. If not, please notify the main office at 302-454-2358, so that the attendance can be corrected on our end.
