September 16, 2022

## Principal's Message

Good Evening Gauger Families,

I hope this newsletter finds you doing well. I am happy to report that we have had a smooth opening to the start of the school year. We are looking forward to a great partnership with our school team and your family. I will be communicating bi-weekly with updates to our families and I will do my best to be brief.

We will be looking forward to meeting families during our Open house night which is Wednesday, September 28, 2022, from 6-8 p.m.

As we move into mid-September, I am going to share some updates with our families. I have included items that will help with the flow of communication and allow families to get support. Thank you for your partnership and please don't hesitate to reach out to me for support.

Sincerely,

Sean Mulrine  
Principal

## Gauger Cobbs Middle School Dress code

Parents thank you for your help in maintaining our school uniform policy. Please make sure you reiterate to your child that "hoodies" are never to be worn in the building. They can be placed in the locker upon arrival at the school. If your child gets cold, please send them in with either a cardigan or sweatshirt without a hood that is grade-level color.

We have seen students wearing Crocs, and these are not permitted. Also, sun glasses are not permitted to be worn during the school day. Thank you for your support of our middle school dress code policy.

## Student Manual

Student Manual Information

### [DISTRICT SECONDARY STUDENT MANUAL](#)

Parents we ask you for your continued support with some of the following expectations for all of our students! We had expectations assemblies this past week for all grade levels and reviewed many of the topics from our Student Manual. We stressed proper bus behavior, being on time to class, resolving conflicts, and getting additional support if needed. I encourage you and your child to review our Student manual at this link: [CLICK HERE](#)

## Nurse Contact Information

If your child has any of the symptoms below, please keep them home and send in an illness note upon their return to school.

- Cough
- Shortness of breath, trouble breathing, severe wheezing
- Chills or shaking with chills
- Nausea, vomiting or diarrhea
- New loss of smell or taste
- Congestion, runny nose

If your child is experiencing **ANY** of the symptoms above, have them tested (home tests acceptable) for COVID before returning to in person learning to assure the health and safety of the school community. *Please be mindful that a fever is not a common early symptom for COVID and is not the sole indicator of COVID-19.*

## Checking Your Student's Academic Progress

Though many parents use the Home Access Center (HAC) to check their student's academic progress, **Schoology** is another great place to look. The student's teacher can provide you with an **access code** to get into the school page for the class. Please **email** your child's teacher for the access code for the class that you want to view. The code can then be sent to you via email.

Please see our teacher directory at this link to email any of our staff.

### [STAFF DIRECTORY](#)

Please click [here](#) to access the Schoology Grades Reference Guide For Parents. Once you access your student's Schoology courses, you will be able to check their progress. This includes whether or not assignments have been submitted, if a grade has been changed and if there is a rubric, etc.
