Dear Parents and Caregivers,

The Parent Advisory Council (PAC) provides an opportunity for parents to collaboratively engage with the Christina School District Special Services Department and serves as a platform for advocacy. Parent Council Advisory meetings are designed to be conversational and open with an emphasis on sharing feedback, ideas, information, questions, and concerns. PAC strives to promote communication between families and the district to better support the education of children. We encourage all families and caregivers of students with special education needs or IEPs to participate and attend. Some special programs already have their own Parent Advisory Council (PAC) or PTA. The Parent Advisory Council is in addition to any parent organizations that may be available to you through special programs within the district.

Our next meeting will be held on Tuesday, March 29, 2022 from 6 p.m. to 7 p.m. We will host this meeting via Zoom. The Zoom meeting link is as follows:
