

# Kirk Middle School

## Information for Incoming 6th Graders

### Welcome to Kirk Middle School

Welcome new Kirk families and friends,

I am Mr. DeLillio and I am the proud principal of Kirk Middle School and I hope everyone is having a great summer. I am reaching out this week to provide you with some information for the upcoming school year and request some information from families with a 6th-grade student interested in one of our music programs.

As we prepare to reopen our schools we need to create a new schedule for the upcoming year. To help us, schedule students, correctly we need to know if your child participates or would like to participate in one of our music programs. We offer Strings, Band, and Chorus at Kirk Middle School. To help assist with scheduling your young musician please complete the survey by clicking on the link below.

Also included in this email is our school supply list and some information about our uniform policy. I wanted to share this information with you early so that you can begin to prepare for the upcoming school year. I am very happy to announce that we have purchased school supply kits for each of our students that will be handed out during the opening week of school. The items listed below will be provided in the kit for every student. This is our way of saying thank you for everything parents and families did to support us this past year!

I'll be in touch in the upcoming weeks with additional information.

Thank you,

Mr. DeLillio
