

KIRK WEEKLY UPDATE

Back to School Edition

Principal's Message

Greetings Kirk Families and Friends,

I hope everyone has had a safe and enjoyable summer and is finding ways to beat the heat this week. The Kirk staff has been hard at work preparing for the new school year, student schedules are being created and we are putting the finishing touches on our construction projects. We are excited for a new school year and looking forward to the return of our students.

This Newsletter will provide some information on the start of the school year and includes our district calendar. We will be holding a meet and greet for our 6th graders and for any new student to Kirk to our the building on September 7th from 1:00 to 3:00 pm. September 8th is the first day of school for our 6th-grade students only. All students will report on September 9th. Transportation mailers will be mailed out in the next couple of weeks with bus information.

I am also very excited to announce that we will be providing every Kirk student with a back-to-school supply box. More information on our school supply box and school supply list is included in this newsletter. School supply kits will be passed out during the first week of school. We are also set to start the year with Chromebooks for all students. Chromebooks will be distributed to students during the school day during the full week of school. Have your child bring their Chromebook to school If for any reason your child did not turn in their Chromebook at the end of last year. Additional information will be sent to CSDVA families on when they will be picking up their Chromebook and school supply kits at a later date.

Kirk Middle School is also committed to bringing the safest learning environment possible to our students and staff. We will continue with our diligent cleaning protocols and I am very excited to announce we will be one of the first schools in the country to utilize a UV-C Disinfection System to combat COVID-19 Spread. More information on the ADIBOTS Robot is also included below.

I look forward to welcoming our students back to school in a few weeks,

Mr. DeLillio
Principal

New Student Meet and Greet: Sept 7th 1:00 - 3:00 pm

On Tuesday, September 7th we will be holding a Meet-and-Greet for new students from 1:00 - 3:00 pm. This event is for our new 6th grade students and any new 7th & 8th-grade students. Students and families will be able to tour the building while teachers are putting the finishing touches on their classrooms.

This event aims to allow our students to see the building and help ease any anxiety they may have before the start of school.

All students and adults will be required to wear a mask while in the building.

Introducing ADIBOT-S

Kirk Middle School will be one of the first schools in the country to utilize the ADIBOT-S disinfection robot. The highly effective ADIBOT disinfection system from global robotics leader, UBTECH, utilizes UV-C technology that quickly and efficiently disinfects the air and surfaces from harmful pathogens, including COVID-19, MRSA, and influenza. This is done without the use of harsh chemicals.

School Fundraiser

We will be selling Kirk facemask as a school fundraiser at our Meet and Greet on Sept. 7th as well as during the opening weeks of school. Our new masks are made of high-quality materials that include a durable liner with an opening for a filter and adjustable ear loops.

Our new mask will be sold in the lobby during our Meet and Greet and in the front office during the school day for \$5.00 (cash only)

School Supplies & Uniform Information

This school year a school supply kit will be supplied to each student at Kirk. We anticipated that school supplies may be in short supply this year and we also wanted to express our gratitude to all our families that supported us through the hybrid experience last year. Attached is a list of the supplies that we will provide to every student along with a list of additional supplies that will still be needed. This information is also posted on our website. Supply kits and Chromebooks will be distributed during the first two weeks of school. Additional information will be provided at later date to CSDVA families on when these items will be distributed.

Also, included in this section is information on the Middle School Uniform Policy. Please see the attached PDF.
