Capital and Operating Referendum

TOWN HALL MAY 28

CAPITAL & OPERATING REFERENDUM JUNE 9, 2020

HIGH SCHOOL

AND

Residents of the Christina School District will be asked to vote "FOR" four proposals to help our district Retain, Rebuild and Restore programs, services, athletics, facilities and staff positions.

HOW WILL STUDENTS BENEFIT?

Continue ongoing programs (such as instructional supplies, materials and technology) School safety and security initiatives, and new learning environments Recruitment and retention of teachers and support staff Keep up with rising operating costs such as funding for students, salaries, transportation and energy

NATIONALLY-AWARDED SCHOOLS AND PROGRAMS

Christina is consistently awarded high performing schools of excellence, including cutting edge programs and focused pathways.

- Newark High School named 2020 Best High School by U.S. News & World Report
- National High Performing Blue Ribbon School (1 of 3 in the state)
- Top-Performing Middle School Honors Academy Continues to Grow
- Five DDOE Recognition Schools of Excellence (more than any other school district)
- Two National ESEA Distinguished Schools
- Three Delaware PBS Recognition Schools

WHY
 State funding has not kept pace with inflation during the past decade.
 NOW?
 More local funding is needed to maintain smaller class sizes to improve student performance.

Funding for students and educators makes a significant difference in educational outcomes, including test scores and graduation rates.

12 DAYS

The referendum has to be approved in June to allow the tax rate to be set and provided to New Castle County by the second Thursday in July to be collected for the 2020-21 school year.

WHAT'S ON THE BALLOT

Voters in Christina School District will be asked four questions regarding funding for our schools.

- Operating: Parts I and II
- Capital: Parts III and IV

Voting "FOR" all of the questions will allow students to continue to thrive while receiving a high-quality education.

CAPITAL REFERENDUM

Updating and replacing major building systems and addressing critical maintenance and facilities challenges in Christina schools.

Includes a major investment in our Early Education Center.

Last capital referendum was 2007.

CONCENTRATING FUNDING WHERE IT'S NEEDED MOST

\$10,080,500*

• Cost to taxpayers 1.2¢ (.6 +.6)

• Applies to Parts III & IV – Capital Funding

MAXIMIZING EVERY DOLLAR TO OFFER EXCEPTIONAL EDUCATION

- We have reduced the number of administrators over the last 15 years.
- CSD has the lowest administrator to student ratio of any of the 5 traditional districts in New Castle County.
- Christina has the lowest student to teacher ratio in the state.

SUCCESSFUL REFERENDUM

- Teaching positions

PROVIDING FOR EVERY STUDENT

All CSD schools are needed to ensure students and teachers have everything they need to be successful.

Closing a school will increase class sizes.

HELP US CONTINUE TO BUILD STRONGER MINDS

For the average home in our school district, taxpayers are being asked to invest less than a dollar a day to be phased in over three years (29¢, 5¢, 5¢)*. The average assessed property value in our district is less than \$65K.

It allows our district to maintain programs, and keep the district from having to reduce supports for classrooms and increase class size.

*Applied to Part 1 – Operating Funding

Less than a dollar a day to be phased in over three years.

WHAT DOES IT MEAN?

Part I Operational: 29¢ (year 1)

Includes items such as instructional supplies and materials, discipline support programs, school safety, extracurricular activities and maintenance of facilities.

Part II Operational: 5¢

Includes curricular enhancements such as elementary English language arts.

Parts III and IV Capital: 1.2¢ (.6 +.6)

Includes required learning facility renovations and upgrades targeted for this referendum.

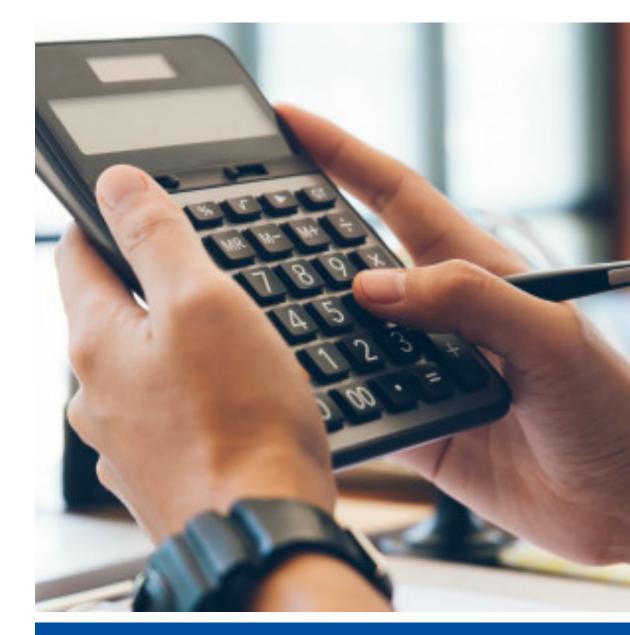

TAX CALCULATOR

For the average home in our district, the increase would be about \$18.81 per month or \$4.70 per week. The increase is phased in over 3 years.

- Average increase for approving Capital Referendum - \$0.65 per month.
- Average increase for approving Operating Referendum - \$18.16 per month

The most accurate way to determine the cost of the referendum in relation to your school taxes is to look up your property tax assessment on the New Castle County website <u>www3.nccde.org/parcel/search/</u>

Use our tax calculator at Christinak12.org/Vote.

Remember, your taxes are calculated on each \$100K of assessed value, which is different than your property value.

You can vote in the election if you:

- Live in the Christina School District
- Are at least 18-years old
- Are a USA and Delaware Citizen
- Show proof of identity and address (Driver's license or State I.D.)
- If you have some health concerns about going to the polls, including coronavirus, you can vote by absentee ballot.

CAN WE COUNT ON YOU?

TOWN HALL

Additional questions not covered in the presentation.

- 1. Can Christina cut transportation costs instead of programs?
- 2. How can we find out more about Christina's budget and expenses?
- 3. Considering the pandemic, how will Christina handle less students in classrooms?
- 4. What is the deciding vote, is it 50.1%?
- 5. When are changes effective once referendum passes?
- 6. Will you publish all questions submitted to this event regardless if you intend to answer them in order to role model transparency and respect for all submissions received?

Responses provided with all questions received for the Town Hall Meeting. Questions will be posted on Monday.
