Working **Together to Create Change**

Together we are committed to finding solutions that best serve our students and reflect the priorities of our community.

- **Retain.** Retain teaching and school support staff positions. Increase funding for students, school instructional budgets for books, classroom supplies and materials.

- **Rebuild.** Rebuild new learning environments and major building systems to better serve our students and support school safety and security initiatives with input from the community.

- **Restore.** Restore partnerships with staff, parents and the community. Address critical maintenance and facilities improvement needs and renovate key instructional areas.

**Support Our Students**

Help us continue to build stronger minds, innovative schools and thriving communities. The stability in our communities has a lot to do with our partnerships to maintain the excellence of Christina schools to provide the high level of education our students deserve. Investment in our schools is an investment in our communities.

**Improved Performance**

Maintain smaller class sizes to improve student performance as well as funding for students and high-quality educators.

**Nationally-Awarded Schools and Programs**

Christina consistently awarded nationally high performing schools.

**Well-Prepared Graduates**

Well prepared and well-educated graduates are critical to the local and state economy.

**Increased Property Values**

Outstanding public schools translate into higher property values for homeowners.

**Funds for Public Schools**

Taxes collected in Christina School District follow students who attend charter and choice schools.
