

Christina School District Learning Choice Board

for Preschool Optional week of 6/8 & 6/15

<u>ELA</u>	<u>ELA</u>	<u>ELA</u>	<u>ELA</u>
Fishing for letters using cut out fish with different letters written on them, paper clips, pencil with string tied to it, and a magnet tied on the other end.	Read a story about the ocean, fish or ocean animals.	Sand writing (put a shallow layer of sand on a cookie sheet or shoe box lid and practice writing your letters)	Make different letters using goldfish crackers.
<u>Math</u>	<u>Math</u>	<u>Math</u>	<u>Math</u>
Make a graph using colored goldfish crackers.	Take a poll in your family to find out which ocean animal is everyone's favorite. Create a simple graph.	Counting, adding & subtracting goldfish crackers (You can even pick a number from a bowl and count out that many goldfish crackers)	Use sidewalk chalk to draw an octopus with 8 long arms, a crab with 10 legs & trace around your child to make the shape of a star fish.
<u>Art</u>	<u>Social-Emotional</u>	<u>Social-Emotional</u>	<u>Sensory</u>
Make a paper plate fish and decorate with items you have around the house.	Make Sensory Bottles (fill bottles with water, oil, food coloring, glitter, ocean critters, etc.)	Read the Pout, Pout Fish (Talk about all of the different feelings in the story)	Ocean in a Bag (Use gallon size storage bags, add hair gel or aloe, glitter, and ocean critters)
<u>Science</u>	<u>Science</u>	<u>Jobs</u>	<u>Physical Activity</u>
Make an Ice Block (add sea shells, plastic sea animals and freeze)	Sink and float (fill a tub of water and experiment with different items to see whether they sink or float)	Recycle items (help keep our ocean clean)	Ocean animal walks (crawl like a crab, giggle like a jellyfish, swim like a fish & slither like an eel) Move slow or fast.
