

# **21st Century Community Learning Centers**

**21st Century Community Learning Centers** (21st CCLCs) enable high quality after school and summer programing to students and families. 21st CCLCs provide students with academic and social/emotional enrichment while engaging students' families with meaningful supports and resources. *Scholarships available!* 

United Way of Delaware is proud to partner with the Christina School District for 21st CCLCs at both Stubbs Early Education Center and The Bancroft School.

#### WHY?

- School attendance matters
- Increase academic success
- · Help meet students social emotional needs
- Enrich students' lives with cultural activities
- · Inspire connectivity between students, families, teachers, and staff

STUBBS EARLY EDUCATION CENTER 302-429-4175
