DON'T type anything in the two blanks —

Just **Click on the blue Sign Up link at the bottom.**

Welcome to
my.delaware.gov!

Delaware is improving security, transitioning from each system requiring its own username and password to having a new single authentication method. Your single ID validates who you are to the different state systems and applications. When you login, you will see a single view with your applications access. The new intelligent solution leverages modern technologies like artificial intelligence (AI) to secure citizen accounts and state resources, requiring additional validations that only you will have.

➔ Secure access to all state resources

➔ Single account to access applications

2. Complete the registration form **using the same Home email** as you put in your Employee Personal Information (above), and click the blue Register button.

3. You will need to be able to **access that Home email account to read/respond to email** on the same computer to finish and activate your my.delaware.gov registration.

As long as your name and home email match what is in Employee Self Service, **in 48 hours you will see your Employee Self Service tile** AND any other tiles assigned to you.
