Wilson PTA

In an effort to grow our PTA membership roster and family support, we are hoping you will consider joining Wilson PTA for the 2020- 2021 school year. Your membership fee of just \$5.00 allows the PTA to better serve the Wilson students and community, by providing students more activities, support, supplies, as well as the ability to host various fun family events.

Joining and participating in the PTA is a great way to meet other parents and teachers as well as to work on fun and meaningful projects that bring us together as a community.

The Wilson PTA is always supportive of students, teachers, and families, but in this historic year it's a great way to actively show our support to those who are on the front lines of teaching and taking care of the students' needs.

Note: A new membership form and fee is due each school year.

This year we made it easy and everyone can join online!

As a reminder, anyone who wishes to contribute or volunteer to support the PTA may submit a membership, you do not need to have a student at Wilson. Grandparent's, Caregivers, and Neighbors welcome! Additionally, you do not need to be a PTA member to attend meetings, volunteer, donate or attend PTA events.

Thank you for your support!

More Important News

We recognize that some may face financial hardships during these difficult times but the only requirement financially is your \$5 Membership fee. Wilson PTA wants you to still be involved in the school community even if you cannot contribute financially past the \$5 at this time. There is no wrong or right way to be involved – anything you can give, whether it's time or money, will support your child's potential. We invite you to join the PTA for your child because increasing our membership, even by one, makes it possible to provide important educational resources, speak up on important issues and create a stronger school community.
