Dear Shark Families,

This month marks my 12th month as principal at Downes Elementary. What a year it has been!! We have had celebrations and sadness but throughout it all I have felt one emotion and that is gratitude for the amazing families we have here at Downes. No matter what the need, parents at Downes have stepped up. I have seen parents volunteer in the office just because they knew Marilyn was going to be alone on a busy day. I have seen parents sit in the dunk tank so the students could feel the joy of watching them drop into the water. Parents have been here early in the morning putting prizes in mailboxes, picking up forms, dropping off checks and/or running parent breakfasts. Families have been volunteering at all of our events from Walk to School day to Fun in the Sun. I am truly thankful for everything that each and every one of our families brings to Downes and I continue to look forward to working with all of you. I wish you all a safe and happy winter break and hope that 2020 brings you great joy!

Mitten Tree Reminder

Thanks to everyone who has already participated. There are many mittens left on the tree so if you are interested, please pick one up. As a reminder, please sign out all mittens on the spreadsheet next to the tree. Purchase a new item described on the mitten. All items (unwrapped) and mittens are due to the Nurse’s Office by Wednesday, December 4th. If you are unable to shop for a Mitten Tree participant but would still like to help, you may donate a Target or Walmart gift card. These cards will be used to shop for items that were not selected from the tree.

Please join us for a fun night of wrapping the items on Tuesday, December 10th at 6:00pm, in the Downes Cafeteria. To maintain privacy, we respectfully ask that no current Downes student assist with wrapping.

Contact Lynda Fisher at Lyndafisher4@gmail.com with questions about the Mitten Tree.

We look forward to seeing you at the many events hosted and supported by the PTA this year, and hope you and your students have a happy and productive school year at Downes!

PTA President: Bronwyn Millman (bmmillman@gmail.com)

Hello Downes Families! My name is Bronwyn Millman and I am the current President of the PTA here at Downes. I have 2 children, Lucas (3rd grade at Downes) and Wesley (8th grade at Shue). I was PTA President for 2 years when my oldest was a student at Downes and I’m serving again now that my youngest is here at the school. I love the community here at Downes and am so glad that my children have had such a great experience. I have loved meeting other families at the school and appreciate the friendships that my children and I have formed. I believe that PTA has a place for everyone to participate and share their interests and talents. Please contact me at bmmillman@gmail.com with any questions or concerns that you might have about Downes or the PTA. I look forward to hearing from you.

PTA Vice President Co-Chair: Dani Whitaker (daniwhitaker14@gmail.com)

Hello fellow Sharks! I am pleased to be serving as the Co-Vice Present of the PTA and am excited to continue to be a part of what makes this school so great! My husband Rejean and I reside in Middletown, DE with our 2 daughters, Marley and Rory. Marley is a 2nd grader, at Downes, in the Chinese Immersion program and absolutely loves it. Our little Rory attends KinderCare Learning Center on Paxson Lane and has a little ways to go before entering kindergarten. I am the editor of Downes’ school newsletter (Shark Bites), as well as one of the administrators for the school website. Outside of these duties, I work as an administrative assistant at the University of Delaware and am very active in a number of committees. In my down time I love to read, researching my family genealogy, photography and spending time with family and friends. I look forward to another great school year and connecting with you all.

PTA Vice President Co-Chair: Parker Slaton (parker.slaton@gmail.com)

I have two daughters at Downes, Ibbie in kindergarten and Cole in second grade, as well as two preschool-aged sons at Newark Methodist Preschool. I'm excited to serve as Co-Vice President of the PTA this year and grateful for the opportunity to help with our school. I enjoy photography and take pictures at many school events. The images can be seen on the posters in the front hall and in Shark Bites. I'm looking forward to the school year and helping other parents and guardians get involved with our community!
PTA Treasurer: Ann Balback (ann.j.balback@gmail.com)

My daughter, Alana, is a second grader in the Chinese Immersion program. We love being a part of the Downes Family!

I have worked in the Financial Services industry for over 20 years and currently work as a Sr. Trust Officer - Team Lead at RBC Trust Company.

This is my third year acting as the PTA Treasurer. In this role, I have had a first-hand view of how the PTA (through your generous donations and volunteering your time) helps to improve the school through supporting various student programs, family events, and classroom/teacher support. We couldn’t do it without YOU!!

Fun facts about me, in my free time I love laughing with friends and family, traveling, running half marathons, and being outdoors – especially at the beach!

PTA Secretary: Rebecca Kalmbach (rebecca716@hotmail.com)

I happy to be serving on the board this year PTA secretary. I have two children in the Christina School District. My daughter Maeve is a 2nd grader in the Chinese Immersion Program and Thurman is a 6th grader in the Chinese program at Shue Medill. I joined the PTA to learn more about what my children were doing at school, and to connect with other Downes families. I work full time as a middle school French teacher in the Appoquinimink School District. I love listening to podcasts on my commute and I have been known to take an extra loop around the neighborhood to hear the ending of a great story. I am so proud to be a part of the Downes community and I look forward to meeting more of you this year!

PTA Membership Co-Chair: Lori Nesnow (lnesnow@gmail.com)

I am happy to be continuing as co membership chair this year at Downes. My son, Owen, is in second grade and is in the Chinese immersion program and my younger son, Evan, will be in kindergarten next year. We are happy to have our child attend such a great school and be part of such an amazing community of people. I work at the University of Delaware full time and have started to take classes again to expand my knowledge on contemporary issues. I love to explore national parks and have rafted through the Grand Canyon. We enjoy going to the beach whenever we can. I am looking forward to another amazing year at Downes.
A Reading Note from Ms. Brewer
Tips on being a great reading partner!

1. Be patient and encouraging.

2. Ask questions about the story while you’re reading to gauge comprehension.

3. For younger readers, read the same stories over and over. Try reading the same stories in different ways, with different voices to make it fun and interesting.

4. Gently correct mistakes and re-read the entire sentence.

5. ALWAYS give positive feedback and make reading a part of your daily routine!

Meet the new Staff

Hello Downes Families!

My name is Trudy Small and I am happy to be your nurse at this fantastic school. My husband Greg and I reside in Townsend DE and we have two sons, two daughters, and a Yorkie named River!

I have been a registered nurse for nearly 30 years. As a registered nurse, I have had the pleasure of working in community health, camps, and school nursing. In my leisure time, I love spending time with my family and friends, listening to music, and reading. I also enjoy relaxing at the beach and anything outdoors.

I look forward to a happy healthy school year. Feel Free to stop in and say hello anytime!

Girls on the Run Coming Soon
Season: February 24th to May 9th

Please be on the lookout for more information concerning the Girls on the Run program here at Downes! The site describes the program as a 10-week after-school program for grades 3 through 5 that is designed to inspire girls of all abilities to recognize and embrace their inner strength. Lessons emphasize the important connection between physical and emotional health. At the end of the program, girls participate in a 5K, which provides a tangible sense of accomplishment, setting a confident and goal-oriented mindset into motion.

We look forward to another great season here at Downes and hope that we have a lot of girls who are interested in joining! More information to come!
On October 29th, our 8th annual Shark Pride Stride took place and was a huge success! Thanks to all of the community sponsors and student and staff donations we continue to surpass our goals! This year, our grand total was $31,157 raised, what an accomplishment! To mark such a great accomplishment, our wonderful principal, Ann Park, will dress like as a super hero for a day and stand out by the road way to welcome the students into school.

As in years past, all of the proceeds will go to Downes PTA who helps to provide extra funds for the school. The PTA supports educational programs, technology, cultural enhancement activities, teachers’ classroom expenses, positive behavior incentives, Fun in the Sun, and the TREK program.

In addition, last year’s Shark Pride Stride funds went to the following:
Smartboard, Projector, Laptops, Walkies for all staff, Intervention materials, Interactive read aloud books for each grade level - recommended by the district, Learning A to Z website licenses for teachers for each grade level - recommended by the district, Book shelves for storing materials, Standing desks, Music Cart and several iPads.

- 198 students earned Monster clips.
- 180 students earned a Tee-shirt.
- 172 students earned at least one raffle ticket.
- 66 Student earned Superstar status
- Congratulations to Charlotte Berk-Lofts, the Highest School fundraiser!
- Congratulations to 1st Grade Team Hardy who had 95% participation!
- Congratulations to 2nd Grade Team Tang who averaged $183 per student!
Most Active Classroom Award!

In order to promote healthy lifestyles, more specifically walking and biking to school and just being active, Downes introduced a new healthy initiative titled “The Most Active Classroom Award.” The Most Active Classroom Award is announced and awarded at the end of every quarter to the grade levels that have the most active students including walking and biking to school and participating in movement throughout the day. This year, we have added another component which is Go Noodle use! The two classrooms with the most completed punch cards plus highest Go Noodle use is awarded the Most Active Classroom Plaque (K-2 and 3-5). It is displayed proudly outside of each classroom until the next quarter’s winner is announced. The first marking period winners for the 2019/2020 school year are Ms. Tang’s 2nd grade and Ms. Chen’s 3rd grade! Let’s keep up the good work and keep moving!
Hi Downes family!
Boy is this year flying by! We’ve had so much fun and have done so many cool things in the library! September was a time to review the Dewey, remember where books are located, and remind ourselves of our library expectations. October covered so many topics – genre, kindness, parts of a book, bats, spiders, some ‘not too scary’ fun books too! In November we worked on reading comprehension, Veteran’s Day, families, cursive writing, and some fun Thanksgiving books. In December we are working on books about money, weather/climate, reference books (almanacs), reindeer, and of course holiday books.

Please help me help your students – remind your son/daughter of their library day so they can make sure that their book is in their book bag and ready for school! And don’t forget the importance of reading each night. It’s another great way to bond with a child.

Lastly, I just want to let my amazing Downes family know that I am retiring on January 31st, 2020. It was a very difficult decision, but after 8 years, I need to start a new ‘chapter.’ I have loved all your kids and hope that in some way I have gotten them to love reading just a little bit more. I hope to stay involved with Downes because I will miss my kiddos very much! But I’m also looking forward to what comes next. Thank you for sending your children to Downes. They have a huge piece of my heart!

Downes Elementary School is also registered for Coke Rewards. Sign up by going to: https://us.coca-cola.com/give/schools/

Parents can help in one of three ways. Either enter your points yourself online using the link above, clip and send your codes along with your boxtops, or use your smartphone to take a picture of the code and text it to Kevin Bohrer @ 302-528-0666 and I will enter them. The code from a 20oz soda gets us 5 cents, the code from a 12-pack gets us 15 cents and the code from the 35 packs (Costco, BJ’s, etc) get us 38 cents. It really does add up!

**Box Tops for Education**

Downes Elementary School is registered with the Box Tops for Education (BTFE) program. Our 2019-20 School Year goal is $1000. We fell short of our goal last year so we need your support to hit our goal. I know we can do it, but we need everyone’s help!

They frequently run sweepstakes and schools can win 5000 or even 10,000 boxtops (that’s $500 or $1000). Be sure to check out the Box Tops for Education website (www.btfe.com) and follow them on Facebook and you will see when a new sweepstakes starts. You can always enter the sweepstakes’ DAILY so enter often to increase our chances of winning. We haven’t won one yet, but the more we enter the better our chances!

**ATTENTION 2019 Homeroom Parents:** If you are in your child’s classroom and see the extra school supplies (Ziploc, Kleenex, etc.) please check them for boxtops and take a few moments to cut them off and put them in the submission box. Everyone gets us 10 cents closer to our goal!

NEW!! Starting in 2019, the boxtops program is transitioning from physical boxtops that you clip and submit, to digital boxtops. Digital boxtops work by way of scanning your grocery store receipts. You will see a boxtop logo on your product, but instead of clipping it, you will open the BTFE app on your phone and scan the store receipt. That money then gets directly deposited into Downes’ account. For clippable boxtops, please continue to send them in groups of 25 in an envelope or baggie marked with your child’s full name and homeroom number. If possible, put this information on a piece of paper inside the baggie because we reuse the baggies for submission. Clipping them neatly and checking expiration dates on Box Tops is also greatly appreciated. Collection boxes are located in each classroom and the main office.

Questions? Contact Kevin Bohrer at downesboxtops@gmail.com.

**PE Corner**
Let me tell you how we “roll” in PE class! During the months of November and December, the students will set goals to score goals! From Kindergarten to Fifth grade, the students will work on various soccer related foot skills and put them to the test in small-sided soccer related games. Check below for some of the activities and games your students have participated in on a weekly basis. Take some time to have them teach you some of the skills they have learned and practiced! If you have any questions, please feel free to reach out and contact me over email or class dojo at connie.spedden@christina.k12.de.us.

**K-Kids Club**

The K-Kids Club has been collecting aluminum can tabs for the Ronald McDonald House. The Ronald McDonald House is for families whose children are in the A.I. Hospital for Children and those families can stay at the house. Money is earned to run the house by taking just the aluminum tabs to a Recycling Facility. In one recent year they earned $55,000. That’s a lot of tabs collected!!!!! This fundraiser is on-going throughout the school year so start now collecting the aluminum tabs. Just drop off the tabs in the school office. This is a win, win, win situation!!! The earth wins by recycling, the Ronald McDonald House wins by earning money, and you win by drinking and eating food from the cans you have purchased. Thanks ahead of time from the K-Kids’ Club!!!!!

Meal Benefit Forms

A NEW meal benefit form is due each year. There are 3 ways to access these forms.

- You may complete an online application at www.schoolcafe.com
- Print form from www.christinak12.org/CNS and return to the cafeteria
- Pick up a paper copy at your school and return to the cafeteria

Unpaid Meal Charges

- Accounts with unpaid meal charges should be paid promptly
- No snacks or seconds can be charged
- Elementary students who forget money will be able to charge a meal to be paid later
- Grades 6-12 with a negative balance equaling one week of meals, will be given a courtesy meal for lunch

Prepayments for Meals

Online payments are accepted at www.schoolcafe.com. This gives families the option to view balances and account activity. A convenience fee of $1.75 for every transaction is required.

Community Eligibility Provision (CEP)

Certain schools in Christina are operating under the "Community Eligibility Provision".

- All enrolled students are eligible to receive a breakfast and lunch at school at no charge.
- No need to submit a meal benefit form for child(ren) enrolled at a CEP school.

If you have additional children attending other schools in the district not participating in CEP, you will be required to fill out a meal benefit form to be eligible for free/reduced meal pricing at those locations.

Healthy Meals/Snack & Wellness

All Christina schools meet the tough federal nutrition standards for school meals, ensuring that meals are healthy and well-balanced & provide students all the nutrition they need to succeed at school.

Healthy snacks/beverages that meet smart snack guidelines are available in most schools for an additional cost, ranging from $0.25 – $1.25. For specific products call your school cafeteria.

Breakfast In the Classroom

More than half of the schools in Christina School District are allowing students to eat breakfast in their classroom. This initiative helps increase access for all students and helps ensure students start their day off with a nutritious breakfast.

Food Allergies

If your child is allergic to food, please provide a signed physician note stating the allergy. If a special menu is needed, the Registered Dietitian will create a menu for your child with proper documentation.

Candy & soda are not permitted and baked goods discouraged. It is recommended that non-food items such as a book are used for classroom celebrations instead of food items.
Holiday Madness

The holidays can be a hectic time of year. Don’t let the craziness keep you from your health goals. Keep these tips in mind for a truly happy holiday.

*When hosting or attending a party, bring a healthy dish like veggies and dip. There will be plenty of others bringing cookies, cakes, and other treats.
*Instead of toys as presents, consider buying tickets to an active event the whole family can enjoy.
*Everything in moderation. Limit yourself to a small treat every day.
*Remember what really matters. The holidays are a time to be with the ones you love, so spend time with them and out of the kitchen.

“SNOW-DAY!!”

When the kids are home from school, take time as a family to play. Whether you’re out in the snow, or warming up inside, there are tons of fun ways to stay active on a snow day!

*Build a snowman that looks like each member of the family.
*Take a walk in the snow.
*Create the world’s best snow fort, complete with a secret stash of snow balls.
*Go sledding on a hill near your house.
*Set up an obstacle course for the whole family to go through.
*Throw a dance party inside.
