Acceptable Use Policy Form

Technology is used in the Christina School District to support teaching and learning. Users of the District's computers and networks and the Internet (Web, e-mail, chat, messaging, etc.) are responsible for their actions. The use of technology in the District must be consistent with the academic goals of the school and the District. Access to the technology is given to students who agree to act in a considerate manner and follow the Christina School District Code of Conduct, the State of Delaware Acceptable Use Policy and school rules when using the system. Computer files and network storage areas will be treated like student lockers. System administrator and school staff may monitor or review files and communications to maintain systems integrity and to ensure responsible system use. Violations may result in the loss of access as well as other disciplinary or legal action.

NOTE: The District employs blocking and filtering measures to restrict access to material harmful to minors.

Acceptable uses of technology for students

- Using technology in the District in a manner consistent with the academic goals of the school and District
 - Accessing systems using only authorized usernames/passwords
- Unacceptable uses of technology for students (may result in disciplinary or legal action)*
- Harassing, insulting, or attacking others
 - Intentionally damaging computers, software, systems or networks
 - Revealing personal information or parents' personal information such as address, telephone number, and credit card numbers. etc.
 - Sending or displaying messages or pictures that are offensive
 - Using obscene or profane language
 - Violating copyright laws
 - Using the network for illegal or commercial purposes, including "hacking" and other unauthorized access
 - Using or bypassing another person's username and password
 - Trespassing in another's folder, work, or files

As a user of technology in the Christina School District I hereby agree to comply with the Acceptable Use Policy.
