Leasure Bear Book Club

Leasure students can earn free books all year with our Leasure Bear Book Club (LBBC). Students read 3 chapter or non-fiction books and complete this short book review on each book. Bring this book review to the LBBC in room 510. The LBBC is open each day from 8:50 to 9:10 (please report to homeroom first). Students choose a free book from among many titles. All forms must include a parent/guardian signature. The Leasure PTA provides funding for this project.
