

FREE BOOKS

Leasure Students can earn free books all year with our Leasure Bear Book Club (LBBC). Once a student has read 10 picture books or 4 chapter books, he/she can bring his/her list of books to the LBBC in room 510 (after reporting to homeroom). The student chooses a free book from among many titles. Parents may read to younger students not yet reading on their own or with other children. All lists must include a parent/guardian signature. The Leasure PTA provides funding for this project.
