

# COVID-19 VACCINES

Now Available at School  
Based Health Centers

School-Based Health Centers (SBHC) at Christina School District high schools are now offering COVID-19 vaccinations and boosters for students in grades 9-12.

## Sign Up for the SBHC

Students must be enrolled in the SBHC to receive the vaccine, booster, or additional services. To sign up for the SBHC, complete the SBHC registration packet for your child's school.

## Appointment Required

Vaccinations and boosters are by scheduled appointment only. Contact your child's school SBHC to schedule an appointment.

## Contact your School-Based Health Center for more details:
