District' from the
drop-down menu

03

ADD STUDENT

Click the 'Add Student'
button and enter student
date of birth and student ID
number.

Once your information is validated, you will receive an email with instructions and download information.

Wheres TheBus™

Why Wonder?

SCREEN OVERVIEW

A. Arrival Status

Estimated time of arrival (ETA) is displayed when bus arrival time can be predicted. When a prediction is unavailable, use the bus location and distance from your stop.

B. Last Message

"Current" is displayed when bus data has been received in the last minute. If updates are not received, the bus is likely stopped at a school or layover or inactive (no messages in the last 15 minutes).

C. Your House

Your house is represented by home icon.

D. Your Bus Stop

Your bus stop is represented by stop sign icon.

E. Bus Location & Distance

Represented by bus icon and distance.

F. Bus Number

Click on the bus # to switch between buses (if multiple).
If bus 36 were subbing for bus 41, it would be displayed as 36(41).
