

COMMUNITY GATHERING

The Bayard School Principal Search

PLEASE COME JOIN US!

Wilmington Learning Collaborative (WLC) and **Christina School District** have launched the search to identify the next principal for The Bayard School. We understand the significance of this decision and we are committed to leading a process that is transparent, accessible, and that is guided by the input and needs of our community. We have contracted with the search firm [Alma Advisory Group](#) to support us with this important process.

We want this process informed by community input and invite you to share what you see as the most important priorities for the next principal. Please join us and share your hopes and aspirations for The Bayard School and the things you want to make sure we get right as we carry out this search.

The community gathering will take place on

Wednesday, November 20th

THE BAYARD SCHOOL CAFETERIA

6:00PM

Refreshments will be available starting at 5:30pm

Session begins at 6pm

Child care and translation services will be provided
