Staff will be available via email, and other methods as shared by staff, to conference with parents and students, share updates, provide feedback concerning learning activities, provide strategies to make remote learning successful, and other topics deemed important.	Interact with staff. All staff available during this time period.

The schedule provides opportunities for students and families to engage in core academics, specials, enrichment/support, and interactive office hour supports. Students may access any activities beyond the specified times shown. Please remember that we are here for you. Please reach out to your teacher with any instructional questions. The schedule incorporates essential elements of a traditional instructional day. It also includes chores. Students are responsible citizens in the class. They regularly support the class with assigned roles and responsibilities. Simple chores will help to maintain that regular practice.
