

REGISTER TODAY

for our Afterschool Academic/Enrichment Program

21st Century Community Learning Centers (21st CCLCs) enable high quality after school and summer programming to students and families. 21st CCLCs provide students with academic and social/emotional enrichment while engaging students' families with meaningful supports and resources. *Scholarships available!*

United Way of Delaware is proud to partner with the Christina School District for 21st CCLCs at both Stubbs Early Education Center and The Bancroft School.
