

# **Diversity in Delaware History Webinar Series**

*History is a combination of uncomfortable truths, differing perspectives, and difficult narratives. With this in mind, DSEA and the Delaware Division of Historical and Cultural Affairs are sponsoring a Diversity in Delaware History webinar series that presents an inclusive view of Delaware history, builds a broader narrative, and puts today's events in a historical context.*

*Join us for any of the 6 webinars being offered that explore these diverse stories.*

**For more information on the sessions, go to:**
