Important Meeting About the Future of Christina’s Wilmington Schools

The Christina Board of Education will be voting on an agreement with the Governor’s Office and the Department of Education that includes proposed changes to Bancroft, Elbert-Palmer, Pulaski, Stubbs, and Bayard schools. The agreement is called a Memorandum of Understanding (MOU). The MOU includes new ideas for city schools to improve student achievement.

**EVENT**

Christina Board of Education Regular Meeting

**DATE**

Tuesday, February 13 7:00 p.m.

**LOCATION**

Sarah Pyle Academy Auditorium
501 N. Lombard St.
Wilmington, DE 19801

**HERE ARE THE CHANGES BEING CONSIDERED:**

Transform Stubbs Elementary School into a community-focused resource center providing quality early education services for children from birth through Kindergarten, and opportunities for adults in parenting skills, literacy, financial education, GED preparation, and job training.

Transform Bancroft Elementary School and Bayard Middle School into new schools with increased resources, serving families in their surrounding neighborhoods with an improved educational experience beginning in First Grade and continuing through Eighth Grade.

Merge the current school populations in grades 1-5 at Elbert-Palmer, Pulaski, and Stubbs into the new schools at Bancroft and Bayard. This would take place in 2019, and Elbert-Palmer and Pulaski Elementary Schools would close. The District will work with the community, city, and state partners to determine the best use of the Elbert-Palmer and Pulaski buildings.

**WHAT ARE THE BENEFITS OF COMBINING GRADES?**

- Increased resources and facility upgrades
- Instructional coaches in math and reading
- Reading specialists
- Increased support for behavioral needs
- Career and Technical Education offerings
- Foreign language offerings
- After school programs and extended year programs
Christina School District
