

# REACH PARENT GROUP

## 2019-2020 Newsletter

### Who we are:

The REACH Parent Group is a 501(c)(3) non-profit organization run by parents, teachers and staff of the Christina School District REACH Program. The REACH Parent Group was created to provide support to parents and staff. The group meets throughout the school year and is open to all REACH parents and staff where we have guest speakers, crafts for the kids, dance parties & sing-a-longs. Additionally, we provide financial assistance to classrooms for supplies, equipment and field trips not covered in the school budget and assist in funding for REACH field day and field trip outings.

### 2019-2020 School Year Goals

**Increase Family Attendance at Meeting:** We try to keep our meeting agenda light and inviting. We always have a para or 2 available to assist with the kids. We also have themed crafts, snacks and beverages at all meetings.

**Increase Staff Attendance at Meeting:** Our goal is to assist the REACH program by any means possible. Who better to know where assistance is needed than the REACH Staff. Your participation and feedback is crucial for us to succeed.

**Raise Money \$\$\$:** Our goal is to be able to assist REACH classrooms with financial needs not covered in the school budget and continue to hold fun events for the students. All of this would not be possible without fundraising participation.
