

WELCOME
to the
Newark High School Parent, Teacher and Student Association!

Think your kids are too old to need your help at school?

When parents are involved...

Grades and test scores improve

There are fewer discipline problems at home and school

Kids are less likely to use tobacco, drugs or alcohol

High school students are more likely to continue on and graduate from high school

Kids are more likely to attend great colleges and universities

We are a diverse group of parents, teachers, students and community members excited about the future of kids at Newark High School. Join us and help make a difference in hundreds of lives—including the one's closest to your heart.

At this stage in your child's life, it is more important than ever to stay involved in their education. In fact, over 500 independent studies show that when parents are involved in their children's education, it makes a tremendous difference. (Take a look at some of the statistics on the left.)

Joining the PTSA makes this job a little easier. We provide excellent opportunities for parents to meet one another, get comfortable with the school and it's staff, and support each other's common goals. Plus, we have a lot of fun in the process!

Your PTSA needs your unique talents, whether it's volunteering a few hours a month or a few hours a year, serving on the Board, attending meetings or sharing your ideas on our website ...
